I don't know what to do about this [[Rationale]] wiki page. It is mostly outdated and does not directly provide many user-documentation-related thinks. It was more the initial idea for starting the project. To my mind we should just remove it or keep it for our own references somewhere internally.

#8 - 07/10/2013 03:36 PM - J. Moringen

- *Status changed from In Progress to Resolved*

- *% Done changed from 80 to 100*

Rationale can remain as a wiki page.
