Assignee:		% Done:	100%
Category:	Packaging	Estimated time:	0.00 hour
Target version:	rsb-0.9		
Description			
<p>The package depends on rsc0.8 but should depend on librsc0.8 instead. This make the package uninstallable.</p> <p>Last time I wanted to commit a fix for this, the history confused me so much that I didn't dare touch it.</p>
