RSBag - Tasks #1428
Build Debian package without SSL support

02/20/2013 02:46 AM - J. Moringen

Status:	Resolved		**Start date:**	02/20/2013
Priority:	Normal		**Due date:**	
Assignee:	J. Moringen		**% Done:**	100%
Category:	Packaging		**Estimated time:**	0.00 hour
Target version:	rsb-0.9			

Description

History

#1 - 02/26/2013 08:52 PM - J. Moringen

- Status changed from New to Resolved

- % Done changed from 0 to 100

I implemented this by adding

```
(pushnew :drakma-no-ssl *features*)
(pushnew :hunchentoot-no-ssl *features*)
```

to the initialization code of the rsbag-tools-cl-trunk job.
