Robotics Service Bus - Tasks #1429
Build Debian package without SSL support

02/20/2013 02:47 AM - J. Moringen

Status:	Resolved	**Start date:**	02/20/2013
Priority:	Normal	**Due date:**	
Assignee:	J. Moringen	**% Done:**	100%
Category:	Packaging	**Estimated time:**	0.00 hour
Target version:	rsb-0.9		

Description

History

#1 - 02/26/2013 07:31 PM - J. Moringen

- Status changed from New to Resolved

- % Done changed from 0 to 100

I implemented this by adding

```
(pushnew :drakma-no-ssl *features*)
(pushnew :hunchentoot-no-ssl *features*)
```

to the initialization code of the rsb-tools-cl-trunk job.
