

Robotics Service Bus - Tasks #1447

Debian package(s) for python and java

02/28/2013 04:17 PM - C. Dreyer

| | | | |
|--|-----------|------------------------|-------------------|
| Status: | Rejected | Start date: | 02/28/2013 |
| Priority: | Normal | Due date: | |
| Assignee: | | % Done: | 0% |
| Category: | Packaging | Estimated time: | 0.00 hour |
| Target version: | rsb-0.10 | | |
| Description | | | |
| It would be nice to have a debian package for each supported programming language. Or one for all! | | | |

History

#1 - 03/01/2013 06:51 AM - J. Moringen

- Subject changed from debian package for python and java to Debian package(s) for python and java
- Category set to Packaging
- Status changed from New to Feedback

Should we do this? And if so, in which version?

#2 - 03/01/2013 01:28 PM - S. Wrede

- Assignee set to C. Dreyer
- Target version set to rsb-0.10

I would set this to 0.10 or with low priority to 0.9. Or is this needed earlier for some other reason?

#3 - 12/10/2013 11:12 PM - J. Moringen

Any news on this?

In the meantime we had at least one user who would have benefited from Debian packages for rsb-python:

Jacqueline Hemminghaus wrote:

Ich hoffe doch mal ich versteh das grade nicht falsch, aber ist das Debianpackage nur für die C++ Implementierung gedacht? Weil ich wollte nämlich in Python schreiben und Debian war einfacher als PyPI ^^

#4 - 12/11/2013 07:42 PM - C. Dreyer

Mh? not from my side! I think I authored this issue. But it shouldn't be assigned to me, since I don't know anything about Python or building debian packages.

#5 - 12/12/2013 12:48 AM - J. Moringen

- *Status changed from Feedback to Rejected*
- *Assignee deleted (C. Dreyer)*

Duplicates more appropriate issues #1004, #1685 in project:packaging.
