NemoMath - Feature #1495
Provide Collection Interfaces for Matrices' rows and columns

05/10/2013 07:16 AM - M. Rolf

Status:	New		**Start date:**	05/10/2013
Priority:	Normal		**Due date:**	
Assignee:	M. Rolf		**% Done:**	0%
Category:			**Estimated time:**	0.00 hour
Target version:	NemoMath 0.5			

Description

This would allow a neat approach for col-/row-wise manipulations,

but also a nice abstraction for "data-matrices" with data stored per row/col.

E.g. some client that needs multiple data could receive either a matrix-column-collection,

or a timeseries-entry-collection, or whatever
