

Robotics Systems Commons - Bug #1501

Name of Debian package is wrong?

05/18/2013 09:27 AM - J. Moringen

Status:	Resolved	Start date:	05/18/2013
Priority:	Normal	Due date:	
Assignee:		% Done:	100%
Category:	Packaging	Estimated time:	0.00 hour
Target version:	rsb-0.9		
Description			
<p>There now is a Debian package called librsc0.90.9 (Observed on a Quantal system). I am not sure if this was uploaded into the repository due to some temporary misconfiguration or whether this is an actual error in the package.</p> <p>@Arne: I am assigning this to you because you seem to have made changes in the relevant areas recently.</p>
