

Compliant Control Architecture - Tasks #1784

Delete component monitor from cca main project

02/26/2014 05:23 PM - Anonymous

Status:	Resolved	Start date:	02/26/2014
Priority:	Low	Due date:	
Assignee:		% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:	cca0.5		
Description			
Delete the component monitor from cca main project, in favor of the new cca-tools project: https://code.cor-lab.org/projects/cca/repository/cca-tools which comes with the component monitor and a tool to change the state of components remotely. We should wait for when it is integrated into the nightly toolkit for convenience.
