Associated revisions

Revision a17e4d7c - 05/08/2014 04:43 PM - J. Wienke

Use socket test port consistently for all tests

Several tests did not correctly use the configured port for the socket
transport. This commit consistently applies correct participant
configurations to all created participants.

fixes #1871

Revision edcdca05 - 05/08/2014 04:47 PM - J. Wienke

Backport: Use socket test port consistently for all tests

Several tests did not correctly use the configured port for the socket
transport. This commit consistently applies correct participant
configurations to all created participants.

refs #1871

Revision 49810aed - 05/08/2014 04:49 PM - J. Wienke

Backport: Use socket test port consistently for all tests

Several tests did not correctly use the configured port for the socket
transport. This commit consistently applies correct participant
configurations to all created participants.
