

Robotics Service Bus - Bug #1899

Check documentation / sync job for remains of previous manual versions

06/24/2014 09:20 AM - S. Wrede

Status:	Resolved	Start date:	06/24/2014

Target version:	rsb-0.11		

Description

Searching for "rsb tutorial" with Google results in

<http://docs.cor-lab.de/rsb-manual/trunk/html/tutorial.html>

as the first hit. However that seems to be a deprecated page for version 0.8.

This is irritating for users who want to work with the master documentation.
