Revision 551e2d39 - 08/22/2014 03:12 PM - J. Wienke

Allow registering RSB listeners for the datamodel

Listeners can now be declared to fill the data model. Data will be passed onto LimitedQueues of length 1 in the model to be thread-safe.

This includes a lot of refactoring in the parsing and parser result handling to remove duplication and improve the code base.

fixes #1948
