plantUML DSL - Feature #2009
Include comments

09/17/2014 03:58 PM - Anonymous

Status:	New		Start date:	09/17/2014
Priority:	Normal		Due date:	
Assignee:			% Done:	0%
Category:			Estimated time:	0.00 hour
Target version:				

Description

- Single line comments are lines that start with a single quote '
- Multi line comments start with slash+singlequote /' and end with singlequote+sash '/

History

#1 - 07/04/2016 10:25 PM - S. Wrede

We should check whether MPS3.3's generic commenting feature is sufficient:

https://confluence.jetbrains.com/display/MPSD33/Commenting+out+nodes
