Revision a761e125 - 10/07/2014 02:56 PM - J. Moringen

Do not blindly generate timeout configuration in src/project/aspects.lisp

fixes #2045

When no timeout value has been configured, do not generate any timeout configuration. Otherwise the timeout plugin will use its default value instead of no timeout.

- src/project/aspects.lisp (define-aspect timeout): only add the build wrapper if a timeout value has been configured.
