

Compliant Control Architecture - Bug #2078

Component start state not handled correctly

11/06/2014 06:47 PM - Anonymous

Status:	New	Start date:	11/06/2014
Priority:	High	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	cca0.5		
Description			
<p>The start state of a component can be set in its constructor. It is, however, only set and not properly transitioned into, so that according hooks are not called.</p>
