

Robotics Service Bus - Bug #2147

rsb-java build fails after version jump to 0.12

01/02/2015 01:43 PM - R. Haschke

Status:	Rejected	Start date:	01/02/2015
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			

Description

building master still refers to rsbprotocol0.11:

```
Cloning repository https://code.cor-lab.org/git/rsb.git.java
> git init /media/local/jenkins/jobs/rsb-java-master-toolkit-lsp-famula-nightly/workspace/label/master # timeout=10
Fetching upstream changes from https://code.cor-lab.org/git/rsb.git.java
> git --version # timeout=10
> git fetch --tags --progress https://code.cor-lab.org/git/rsb.git.java +refs/heads/*:refs/remotes/origin/*
> git config remote.origin.url https://code.cor-lab.org/git/rsb.git.java # timeout=10
> git config remote.origin.fetch +refs/heads/*:refs/remotes/origin/* # timeout=10
> git config remote.origin.url https://code.cor-lab.org/git/rsb.git.java # timeout=10
Fetching upstream changes from https://code.cor-lab.org/git/rsb.git.java
> git fetch --tags --progress https://code.cor-lab.org/git/rsb.git.java +refs/heads/*:refs/remotes/origin/*

History

#1 - 01/02/2015 01:55 PM - J. Wienke

- Status changed from New to Rejected

You need to use a 0.12 protocol with any rsb implementation in version 0.12.

#2 - 01/02/2015 02:02 PM - J. Wienke

- Description updated

I just see that you do this in the build generator context. There, the project definitions needs to be updated. But this an issue for the respective tracker of the toolkit: <http://opensource.cit-ec.de/projects/citk/issues>

#3 - 01/02/2015 02:03 PM - J. Wienke

- Description updated
