Revision a2648b99 - 02/11/2015 10:10 PM - J. Moringen

Do not insert line-breaks in job descriptions in src/project/classes-model.lisp

fixes #2177

Apparently, newer Jenkins versions do not suffer from the problem of long description strings breaking the web interface.

- src/project/classes-model.lisp (deploy job): do insert line-breaks at column 80 when generating job description strings
