

Robotics Systems Commons - Enhancement #234

Check dualism of Registry and Factory

04/08/2011 05:13 PM - J. Wienke

Status:	Rejected	Start date:	04/08/2011
Priority:	Normal	Due date:	
Assignee:	J. Wienke	% Done:	0%
Category:	Registry	Estimated time:	0.00 hour
Target version:			
Description			
This is especially important if the link-time registration support is dropped. Then there is probably no reason to keep the registry alive?

History

#1 - 09/12/2013 06:18 PM - J. Wienke

- Status changed from New to Rejected

We will just remove registry.
