

Robotics Systems Types - Tasks #2442

Tasks # 2441 (New): Integrate homeautomation types

Collect all necessary types for home automation patches

11/23/2015 11:56 AM - J. Moringen

Status:	New	Start date:	11/23/2015
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Type Proposal	Estimated time:	0.00 hour
Target version:			
Description			
<p>The previous type proposal, #2144, contains a set of homeautomation-related message type.</p> <p>To make any progress in reviewing this proposal, we need multiple, small patches. While trying to apply graph-based methods for identifying subsets of messages for such patches, I noticed that the patch is incomplete. At least the following files are missing</p> <p>proto/sandbox/rst/vision/HSVColor.proto proto/sandbox/rst/configuration/MetaConfig.proto proto/sandbox/rst/person/Person.proto</p> <p>(there may be more, but I stopped at that point).</p> <p>Please attach a version of the patch to this issue that at least builds. I will try to repeat the analysis and suggest subsets for smaller patches after that.</p>
