Target version:	rsb-0.15		
Description			

Associated revisions

Revision a60447e3 - 09/28/2016 11:48 AM - J. Moringen

Added configuration processing debug output in src/configuration.lisp

fixes #2571

- src/configuration.lisp (**config-debug?**): new variable; controls configuration debugging
- (options-from-environment): produce debug output, if requested
- (options-from-default-sources): likewise; enable debug output based on the value of the RSB_CONFIG_DEBUG environment variable
