

Robotics Service Bus - Bug #2651

Python, introspection, Windows: os.getlogin AttributeError

09/08/2016 10:20 AM - J. Moringen

Status:	Resolved	Start date:	09/08/2016
Priority:	High	Due date:	
Assignee:	J. Moringen	% Done:	100%
Category:	Python	Estimated time:	0.00 hour
Target version:	rsb-0.15		
Description			
<div>I am currently trying to get rsb-python running with windows. The pypi-Files are really helpful so thanks a lot for those. However I've run into a problem with introspection. You use "os.getlogin()" in line 224 in the introspection/__init__.py. However os has no function getlogin under windows. You do catch an OSError, however an AttributeError is raised in this case.</div>			

Associated revisions

Revision 9c3f2a8d - 09/08/2016 10:42 AM - J. Moringen

For portability, use getpass to get user name in rsb/introspection/__init__.py

fixes #2651

- rsb/introspection/__init__.py (header): updated copyright (toplevel): added import getpass (ProcessInfo.__init__): use getpass.getuser instead of os.getlogin

Revision cdf638a2 - 09/08/2016 06:24 PM - J. Moringen

Backport: For portability, use getpass to get user name in rsb/introspection/__init__.py

refs #2651

- rsb/introspection/__init__.py (header): updated copyright (toplevel): added import getpass (ProcessInfo.__init__): use getpass.getuser instead of os.getlogin
