

Robot Control Interface - Feature #278

Check on making constructors protected/private to just use boost pointers

05/10/2011 05:33 PM - Anonymous

Status:	New	Start date:	05/10/2011
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	5.00 hours
Target version:	rci0.5		
Description			
Check on making constructors protected/private to just use boost pointers. Is this compliant with real-time control (performance).
