

Robotics Service Bus - Enhancement #283

Unify exception handling

05/11/2011 05:29 PM - J. Wienke

Status:	In Progress	Start date:	05/11/2011
Priority:	Normal	Due date:	
Assignee:		% Done:	30%
Category:	C++	Estimated time:	2.50 hours
Target version:			
Description			
Currently there is a mixture of using a common RSB Exception base class and using std exceptions if possible. We should decide on one strategy and refactor the existing code base.
