

Robotics Service Bus - Feature #575

GAR-Installer scripte

09/20/2011 09:15 AM - M. Goetting

Status:	Resolved	Start date:	09/20/2011
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	2.00 hours
Target version:			
Description			
<ul style="list-style-type: none">- Update the current gar-installer packages for RSB, RST and RSC- Do we need gar-installer packages for java and python?			

History

#1 - 11/29/2011 03:39 AM - J. Moringen

Modules for most RSB projects can be found in this GAR-Installer:

<https://projects.cit-ec.uni-bielefeld.de/svn/gar-installer/branches/sz-HelloGuest>

#2 - 03/15/2012 09:20 AM - J. Wienke

- Status changed from New to Resolved

- Assignee deleted (M. Goetting)

The recent trunk contains everything we need to my mind and versions can be configured through version config files.
