Description			
it would be nice if either as a default or by configuration container io formats each entry on a new line. otherwise the output is hard to read for long container entries.

fixes #680: improve printing of containers

ContainerIO now has stream operators to control newline behavior when printing containers. For map elements, pair formatting is now applied to be controllable.

Merge branch 'enhancement-680'

Revision e3ef34ce - 09/30/2013 04:06 PM - Arne Nordmann

Fixed container style IO manipulator

- Was using pair-style_delete instead of container_style_delete, causing segfault in downstream project
