

Benchmarking Environment - Enhancement #948

Parameters

03/14/2012 01:55 PM - Anonymous

Status:	Feedback	Start date:	03/14/2012
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
<p>We already have some parameters for our benchmarks (e.g. size hint, repetition count hint). For more possible parameters, we could have a look at the Japex parameter reference"</p> <p>http://japex.java.net/docs/manual.html#Reference</p> <p>They define global as well as test-case-specific parameters.</p>
